andBeyond Ngorongoro Crater Lodge Ngorongoro Crater, Tanzania

Perched on the edge of the Crater rim, andBeyond Ngorongoro Crater Lodge's sumptuous safari suites present breath-taking views. Inspired in design by the Maasai mud and stick manyatta (homestead), this is without doubt one of the most architecturally spectacular safari lodges in Africa. Three separate and intimate camps are reminiscent of a bygone era totalling just 30 suites in all. Steeped in romance, each stilted, handcrafted mud and thatch suite is adorned with graceful antiques and grand chandeliers. The bedroom, sitting room and ensuite bathroom boast floor-to-ceiling glass windows, overlooking the magnificent Crater below. Ensuite bathrooms, with a centerpiece of red roses, feature huge showers and chandelier-lit bathtubs. Personal butlers discreetly tend to guests' every need, bringing tea in bed, stoking fireplaces and drawing luxurious baths. Described as "Maasai meets Versailles", each camp has its own guest sitting and dining areas and viewing decks. The domed dining room, with its grand fireplace, turns every meal into a special occasion.

andBeyond Grumeti Serengeti Tented Camp Serengeti Western Corridor, Tanzania

Inspired by Tanzania's annual Great Migration, andBeyond Grumeti Serengeti Tented Camp is situated near one of the most famous fording points used by the wildebeest as they cross the Grumeti River in an area that is home to exceptional year-round resident wildlife. Rustic yet sophisticated, the intimate tents combine hues of natural grey with accents of natural stone and bone. All ten of the tented suites look out onto the Grumeti River and its resident pods of hippo, while sliding doors open out onto shaded private decks. Stone shower towers are open to the sun and stars. Two of the tents have been designed to cater for families travelling together and share an enclosed entrance lobby that allows easy access between the tents while maintaining complete privacy. A dramatic boma is the setting for open-air dinners with delicious food prepared in traditional stone ovens. A rim-flow swimming pool looks out onto the banks of the river.

WHAT WE LOVE ABOUT ANDBEYOND GRUMETI SERENGETI TENTED CAMP

- Be sure to try one of the camp's famously delicious pizzas at lunch time – as a guest once said, "The pizzas at Grumeti rival those I get at home in Naples!"
- Enjoy a leisurely lunch on the pool deck overlooking four different pods of resident hippo grunting and splashing about. This is some of the best hippo viewing in Tanzania!
- Sip a refreshing sundowner on Masira Hill. This beautiful spot overlooks two different plains of the vast Serengeti, and, on a clear day, you can even see Lake Victoria in the distance.

Expect the extraordinary

andBeyond Klein's Camp

Northern Serengeti, Tanzania

Perched on the edge of the Kuka Hills, andBeyond Klein's Camp features intimate safari accommodation - just ten cottages of local stone and makuti, with rich wooden floors and classic interiors. Each cottage has an ensuite bathroom and private veranda with breathtaking views over the surrounding valley. A diversity of resident wildlife, including huge elephant herds, can be viewed from everywhere in camp - even the kitchen boasts unforgettable views. The camp has a large, beautifully furnished bar and sitting area, a sparkling swimming pool, and a Safari Shop featuring locally-made Maasai crafts. Fresh vegetables picked from the Camp's shamba (an organic African garden) create wholesome Pan African dishes. Dinners are served in the main dining area, which is graced by a large open fireplace, or enjoyed in a spectacular clearing deep in the heart of the African bush.

WHAT WE LOVE ABOUT ANDBEYOND KLEIN'S CAMP

- Ask your guide to take you on a walk behind the Camp, up the escarpment. At one point along the way, you can see the Masai Mara to the north, the Serengeti to the west, and the andBeyond Klein's Camp wilderness concession to the south.
- Enjoy a leisurely lunch in the camp's shamba (vegetable garden), where lettuce, spinach, peppers, cucumbers, avocados, lemons, and a selection of herbs all grow. You can literally 'pick' your own salad and the chef will prepare you the most mouth-wateringly fresh lunch.

Expect the extraordinary

andBeyond Serengeti Under Canvas *Northern Serengeti, Tanzania*

andBeyond Serengeti Under Canvas reaches far beyond the bounds of the traditional Tanzanian safari – the sumptuously luxurious tented, seasonal camps move around the Serengeti year round, bringing guests within range of the Great Migration. When the Migration crosses over into Kenya, the camps remain in the remote, beautiful corners of the Serengeti, renowned for excellent resident game. The two intimate camps feature just eight ensuite safari tents each, carefully positioned in exclusive semi-permanent campsites in the Serengeti National Park. Booked on a nightly basis, each luxury ensuite mobile tent boasts a comfortable double bed, ensuite bathroom, separate w.c. and bucket shower – this is the ultimate in luxury camping. The guest areas comprise comfortable tents for dining, meeting for a pre-dinner drink, or just for whiling the time away between safaris – complete with private butler service, delicious home-baked meals, and traditional bush dinners served under the stars.

WHAT WE LOVE ABOUT ANDBEYOND SERENGETI UNDER CANVAS

- Have a private dinner in your tent – the peace of the Serengeti can't be beaten!
- Ask your ranger to tell you a local story around the camp fire – he'll have you spellbound.
